RE: Law Office Newsletter – July 2018

Dear Friends of Law Office of Merrill A. Hanson,

We are pleased to provide you some exciting updates happening around the firm. You can always stay up to date with current events and more at <https://www.merrillhanson.com/category/bLAWg/>

*Nevada license expected Summer 2019*

**Yes, We're Open!** A frequent question on everyone's mind is, "what's the deal with a move to Nevada?" Well, it's happening August 15 – but don't fret, we're still *here* practicing California law with the same phone, email, and available in person in So-Cal by appointment. So really, there's not much changing.

**Real Estate & Trust Information Session**

*Tell your friends and family!* They don't teach death and taxes in school. Learn about living trusts, real estate, probate and more. Co-presenting with professional fiduciary and real estate agent Charmane Johnson.
